Quality Rating

How the Overall Quality Rating is Achieved

When VisitEngland assessors visit your property, they will evaluate and give a quality score to all aspects of the accommodation and service.

The total of all these scores establishes an overall percentage score for quality.

Based on this score, establishments will be given an overall quality rating on a scale of Three to Five Stars, based on the chart below, as long as all minimum entry requirements for the star rating are met.

3 STAR	4 STAR	5 STAR
60% - 74%	75% - 86%	87%-100%
